

# Institut National des Sciences Appliquées de Toulouse

## INSA - Toulouse

### PROFILE

Institut National des Sciences Appliquées de Toulouse (INSA) is a public institution of a scientific, cultural and professional nature, under the authority of the ministry in charge of higher education, accredited by the Commission des Titres to award the diplôme d'ingénieur.

Founded in 1963, INSA Toulouse is part of a network made up of 5 INSAs based in Lyon, Rennes, Rouen and Strasbourg.

The school has 2 main missions: train engineers formally and in continuing education and develop research.

INSA has a Director appointed by the National Ministry of Education, for 5 years. Three councils, 5 commissions and a management committee help him accomplish his mission.

The school has 8 departments and 2 centers for 9 specializations and participates in 11 research labs.

The institute provides academic services, research and is involved internationally.

#### Main fields of study

#### 10 specializations at INSA, Toulouse, starting with the 4<sup>th</sup> year:

- Biochemical engineering
- Civil engineering
- Electrical engineering and computer sciences
  - Automatic control engineering, Integral electronics
  - Computer science engineering
  - Networks and telecommunications
- Mathematics and Modelling
- Mechanical engineering
- Physics engineering
- Processes and environment
- Genius of the Industrial System

Photograph provided by the institution

#### School description in numbers

- Students: 2,437 including 2,118 engineers
- Over 420 graduates each year – Over 8,000 in Toulouse
- 395 foreign students of 56 nationalities
- 218 Permanent teaching faculty and researchers
- 220 Administrative staff and technicians
- 10 specializations
- 9 laboratories
- 7 doctoral schools
- 1 SAIC (Service d' industrial activities and commercial)
- Campus area: 21,6 hectares
- Building area
  - 84,000 square meters including 40,000 square meters for teaching
  - 14,000 square meters for research,
  - 30,000 square meters for housing; campus includes 35 buildings.

### IDENTITY FORM

[www.insa-toulouse.fr](http://www.insa-toulouse.fr)

Precise name of the institution →	Institut National des Sciences Appliquées de Toulouse - INSA Toulouse
Type of institution →	Public
City where the main campus is located →	Toulouse
Number of students →	2,437
Percentage or number of international students →	500
Type and level of qualifications awarded →	• LMD • Other national diplomas • Institution-specific Diploma: engineering degree
Postal address →	135, avenue de Ranguel - 31077 Toulouse cedex 4
