

## Université Stendhal Grenoble 3

### ● Institution's profile

The Université Stendhal-Grenoble 3 offers programmes in foreign languages and cultures, ancient and modern literature, communications and language sciences for all those interested in this panoply of rich disciplines situated between the social sciences and the humanities. These programmes, enhanced by a particularly intensive research activity and conducted by teams of nationally and internationally recognised research professors, are aimed at publics seeking to pursue a professional or cultural project in their field of competence. Traditionally known as a rigorous teacher-training institution, the Université Stendhal has long oriented its programmes to other career prospects as well, notably in the fields of culture, communications, the media and, more recently, journalism.

#### Main programmes of study

Classical and modern literature  
Languages  
English studies  
Communications  
Language sciences

#### Research

13 research centres, 1 graduate faculty (PhD)

Photographs provided by the institution

#### Strengths

Constantly growing international contacts, ties with business, local communities and the Rhône-Alpes administrative region, diversification of programmes and courses. The Université Stendhal now combines the most traditional disciplines – Classical and Modern Literature – with the most recent – Communications, Language-Teaching Methods and offers students a particularly wide range of living languages. It has thus managed to develop its educational potential in order to meet the challenges of the 21st century.
